Tel 01778 440760 Fax 01778 440060 EMail "brianmap@btinternet.com"

The information below gives the following details -

- 1) **Slide number** - please quote this when ordering!
- 2) **Aircraft details** - ie serial/regn, type, owner/markings, year taken.
- 3) **Slide quality** - this is a number between "1" and "5", with "1" being the highest quality and "5" the poorest. The level of quality is decided on the overall slide taking into account lighting, position, sharpness, clutter and any blemishes/scratches on the actual slide.
- 4) **Price** - this is the price set for that slide and is based upon "3" above and also the rarity value of the subject. As most of the slides on sale are single copies, the price quoted is not negotiable.

In addition to the price per slide you have to add **postage** (for any quantity) of £1.50 (UK), £5.00 (EEC) and £6.00 (elsewhere)

ORDERING - please mark your order "**Original Slide List**" and quote the slide number

PAYMENT - From July 2016 we will only accept payment via Pay Pal - we will send you a Pay Pal request and advise you via email direct, you can then go to the Pay Pal site detailed in the Request and pay for the slides using whatever card you wish (you do not require a Pay Pal account to do so). This is because we have decided to discontinue accepting credit cards due to the cost and the ever increasing rules and regulations that affect the use of them - many of our customers already use the Pay Pal system to pay. NB No returns will be accepted except where an error in "2" above has been made or the wrong slide sent.

NB SLIDES ORDERED FROM THIS LIST WILL BE SENT OUT BY THE END OF November2020

<u>IMPORTANT ORDERING CHANGES -</u>										
Due to the 1960 slides being very popular I am introducing a new ordering system for the following civil and military old slides. The idea is not to make extra money (although it probably will mean that will happen) but to give everyone a chance to get the slides from the following section. Up to now, usually the first order received has ordered all the slides, leaving everyone else unable to stand a chance of getting any that they really wanted. So, from this list there is a price as normal which you can opt for, however, if someone really wants a particular slide then we will accept any bids in excess of the posted price to be lodged with us by the end of Saturday November 21st . On the Wednesday we will allocate slides to the highest bidder. If no bids are received above the stated price then the slides will go to the first person who ordered them. I hope this is a fairer way of giving everyone the chance of getting what they want. The remainder of the slides on the list will be sold at the price stated and to the first one who places an order for them. NB You can order these at the list price below and you may be lucky!

LACK & WHITE NEGATIVES										
The first batch of military negatives sold very well but not the civil, so this month I have included older civil negs to see if we get a better reaction. All negatives are 35mm unless otherwise stated (120 negs includes all 120 size film).
